

Student Focused Feedback

Where am I Going? (The goals) **Feed Up**

Tell me in your own words...

What are we learning today...

Can you explain...

What are my goals?

What is the success criteria?

Remember yesterday we investigated.....

Today we are going to learn/work on/create...?

How am I Going? **Feed Back**

I like how you...

I can see you have...

What could you add/change/remove...

You're on the right track.

This is building on from step 1. Next ...

Are you linking in with the Success Criteria?

How does this meet the Success Criteria?

How did you come to that?

Tell me about how this is meeting the goal?

Does this make sense with where we started?

Where to next? **Feed Forward**

I would like you to...?

You need to work on...?

Next time you could try...?

Can you show/teach someone else to...?

Something I learnt today was...?

How can I improve (add/link) on...?

Did you meet the Success Criteria?

What did we not include in the Success Criteria that should've been in it?
